Meeting Minutes

1. Call to Order: Geary McCabe called the meeting to order at 2:32 p.m.

2. Public Comment: No comments were made by the public.

3. Staff Update: KTMPO Meetings; Other Updates; Air Quality.

Hope Davis notified the committee of upcoming KTMPO meetings through March. Ms. Davis shared information from the October TxDOT BPAC meeting highlighting the Statewide Active Transportation Plan, the Connecting Texas 2050 plan, and the 2023 TxDOT Transportation Alternatives Awardees. Air quality for the month of November was 49 parts per billion (ppb) at the Temple station and 49 ppb at the Killeen station.

4. Action Item: Regarding approval of minutes from the September 27, 2023, meeting.

Jason Deckman made a motion to approve the September 27, 2023, meeting minutes seconded by Gene Roberts; the motion passed unanimously.

5. Discussion: Regarding a presentation on Baylor Scott and White McLane Children’s Bike Rodeo.

Sarah Wheat, Trauma Program Manager of McLane Children’s Medical Center in Temple, TX presented an update on the October 2023 Bike Rodeo event that was held to educate parents and children about bike and pedestrian safety.

6. Discussion: Regarding a presentation on The Bicycle Network Analysis.

Rebecca Davies from PeopleForBikes, who directs their City Rating program, presented on the Bicycle Network Analysis tool.

7. Discussion Item: Regarding the Safe Streets & Roads for All (SS4A) Safety Action Plan.

Dan Malsom with Kimley-Horn presented an update on the CTCOG-KTMPO SS4A Safety Action Plan.

8. Discussion Item: Regarding the KTMPO 2023 Project Call Subjective Scoring Process.

James McGill provided a brief background on the KTMPO 2023 Project Call and Project Scoring Process. Mr. McGill explained that during this project call the TAC wanted the BPAC involved and decided to have BPAC members take part in subjectively scoring all livability projects submitted during the call.

Geary McCabe requested clarification regarding how BPAC member scores will be incorporated into the final project ranking. Mr. McGill explained that all BPAC member scores for each criterion will be averaged to get a final score which will then be added to all the other averaged scores to get an overall subjective measures score.

9. Discussion Item: Regarding Local Update on Bicycle and Pedestrian Activities.

Anita Janke presented how the public and BPAC members can stay informed about local events by following KTMPO social media. Ms. Janke highlighted BSWH Walk with a Doc events happening on Saturday December 16, 2023, in Harker Heights and in Temple. Ms. Janke spoke on the Texas State Park 100-year celebration, and the passing of the Centennial Parks Conservation Fund, a billion-dollar fund which will provide stable, long-term funding for new park land purchases and development.

10. Discussion Item: Regarding public input received through November 2023.

Anita Janke summarized five new public comments received since the September 2023 meeting.

11. Member Comments. No comments.

12. Next Meeting: March 13, 2023, at 9:30 a.m.

13. Adjourned: The meeting adjourned at 3:51 p.m.

These meeting minutes were approved by the BPAC members at their meeting on _____

Resolution 2024-04

**April National Distracted Driving
Awareness Month**

Resolution 2024-04 – Recognizing April 2024 as National Distracted Driving Awareness Month

Background

The National Highway Traffic Safety Administration (NHTSA), in partnership with the US Department of Transportation (DOT), state DOT's, and other national safety organizations, promote April as National Distracted Driving Awareness Month.

Distracted driving has become a major issue since the turn of the century, driven mostly by the increase in prevalence of cell phones. This issue has quickly become one of the most dangerous traffic safety hazards in the country creating a need to be frequently addressed and combatted against however possible.

For more information: [NHTSA - Distracted Driving](#)

Attached to this meeting packet is the resolution supporting National Distracted Driving Awareness Month and the safe operation of vehicles in Texas. KTMPO encourages area cities to also support and promote National Distracted Driving Month as deemed appropriate in accordance with city and county orders.

Resolution 2024-04, recognizing April 2024 as National Distracted Driving Awareness Month is included in the meeting packet for review.

Action Needed: No action needed, for discussion only.

RESOLUTION NO. 2024-04

A RESOLUTION OF THE KILLEEN-TEMPLE METROPOLITAN PLANNING ORGANIZATION SUPPORTING APRIL 2024 AS NATIONAL DISTRACTED DRIVING AWARENESS MONTH

WHEREAS; The National Highway Traffic Safety Administration (NHTSA) has declared the month of April 2024 as National Distracted Driving Awareness Month; and

WHEREAS; distracted driving is any activity that diverts attention from driving, including talking or texting on your phone, eating and drinking, talking to people in your vehicle, adjusting the entertainment or navigation system; and

WHEREAS; you cannot drive safely unless the task of driving has your full attention and any non-driving activity is a potential distraction and increases your risk of crashing; and

WHEREAS; more than 2,000 people have been killed due to distracted drivers since 2017, distracted driving deaths increased by 10% in 2022, and approximately 1 in 6 crashes was attributed to distracted driving in 2022; and

WHEREAS; since September 1, 2017 it has been illegal to read, write, or send a text while driving in Texas, with fines of up to \$200 for violators; and

WHEREAS; the Texas Department of Transportation (TxDOT) is fully committed to ending all traffic related deaths on Texas roads and is reminding all Texans to put their phones down and give driving their full attention whenever they are behind the wheel;

NOW, THEREFORE, BE IT RESOLVED that the Killeen-Temple Metropolitan Planning Organization hereby recognizes and supports the month of April 2024 as National Distracted Driving Awareness Month.

BE IT FURTHER RESOLVED that the Killeen-Temple Metropolitan Planning Organization urges all motorists to put down their phones and focus solely on the task of driving while operating a vehicle for their safety and the safety of those around them.

PASSED AND ADOPTED on this 20th day of March 2024 at a regular meeting of the KTMPO Policy Board, which was held in compliance with the Open Meetings Act, Texas Government Code, 551.001, *et seq.*, and at which a quorum was present and voting.

Resolution 2024-05

May as National Bike Month

Resolution 2024-05 – Recognizing May 2024 as National Bike Month

Background

May is National Bike Month in America. Established in 1965, National Bike Month is promoted by the League of American Bicyclists. It provides an opportunity to promote and show all of the benefits of biking in America, as well as encourage individuals to try biking. The Center for Safe Routes to School also partners with the League of American Bicyclists each year to host National Bike to School Day in May.

National Bike Month dates include:

- Ride a Bike Day – Sunday, May 5th
- Bike to School Day – Wednesday, May 8rd
- Bike to Work Week – May 13th – 19th
- Bike to Work Day – Friday, May 17th

For more information and ideas on planning safe bike-friendly events, visit the League of American Bicyclists' [Bike Month page](#) or the Center for Safe Routes to School [Walk & Bike to School page](#).

A resolution declaring May 2024 as National Bike Month is included in your meeting packet. KTMPO encourages area cities to support and promote National Bike Month as deemed appropriate in accordance with city and county orders.

Action Needed: Consider recommending approval of Resolution 2024-05 recognizing May 2024 as National Bike Month.

RESOLUTION NO. 2024-05

**A RESOLUTION OF THE KILLEEN-TEMPLE METROPOLITAN PLANNING ORGANIZATION
SUPPORTING NATIONAL BIKE MONTH (MAY 2024) AND ASSOCIATED EVENTS AND DATES**

WHEREAS; The League of American Bicyclists has declared the month of May 2024 as National Bike Month; May 5, 2024 as Ride a Bike Day; May 13 - May 19, 2024 as Bike to Work Week; and May 17, 2024 as Bike to Work Day; May 17th, 2024 as Annual Ride of Silence Event; and

WHEREAS; the National Center for Safe Routes to School hosts National Bike to School Day, which will occur on May 8, 2024; and

WHEREAS; biking is a healthy, safe, and environmentally-friendly form of transportation and an excellent form of recreation; and

WHEREAS; bicycle commuting is an effective means to reduce air pollution, conserve energy, and promotes the “livability” of communities by reducing traffic, noise, and congestion; and

WHEREAS; bicycle transportation is an integral part of the “multi-modal” transportation system planned by federal, state, regional, and local transportation agencies; and

WHEREAS; National Bike Month promotions encourage citizens to ride their bicycles, thereby reducing vehicular emissions in Central Texas;

NOW, THEREFORE, BE IT RESOLVED that the Killeen-Temple Metropolitan Planning Organization hereby recognizes and supports the month of May 2024 as National Bike Month; May 5, 2024 as Ride a Bike Day; May 8, 2024 as Bike to School Day; May 13 through May 19, 2024 as Bike to Work Week; and May 17, 2024 as Bike to Work Day; and

BE IT FURTHER RESOLVED that the Killeen-Temple Metropolitan Planning Organization urges all who support bicycling to participate in the events planned as deemed appropriate in accordance with city and county orders and urges all road users to share the road safely with bicyclists.

PASSED AND ADOPTED on this 17th day of April 2024 at a regular meeting of the KTMPO Policy Board meeting which was held in compliance with the Open Meetings Act, Texas Government Code, 551.001, *et seq.*, and at which meeting a quorum was present and voting.

Update on Local Bicycle and Pedestrian Activities

Local Update on Bicycle and Pedestrian Activities

Local updates on bicycle and pedestrian activities are a standing item for staff and BPAC members to discuss and share information regarding recent local and regional bicycle and pedestrian events, equestrian activities, outdoor news, and local and state parks, etc.

Due to the ever-evolving landscape of bicycling and pedestrian activities and to provide consistent, up-to-date information, KTMPO staff recommends utilizing various social media channels, primarily KTMPO Facebook ([Link](#)) to communicate local and events, activities, and news, etc.

Social Media Highlights

- KTMPO staff continues to educate and inform people of all abilities about bicycle and pedestrian activities like the Cen-Tex Race Series, policies, and infrastructures with an emphasis on safety for all vulnerable road users including roadway cyclists, and pedestrians who walk in neighborhoods, parks, and trails.
- Connect with us on these social media channels.

1/11/2024	Email	"I am wondering if there are notes available from any meetings regarding the bell county thoroughfare plan? I believe I saw there was a public feedback period last year and then a scheduled meeting sometime in the summer Also, where can I go to see current projects? I am specifically looking at plans and projects for FM 2484. All I saw on the website was the TIP which shows contract let dates of 2026 for fm 2484 but I see surveyors out now which may indicate something sooner than 2026?" 2/15/2024	Email	I would like to submit the following comments to the chair and board of CTCOG, regarding highway needs in the central Texas area. Dominic please confirm receipt. 1. With congestion and road rage growing, CTCOG should be open to trying new approaches in design and roadway construction such as: 2. Install overhead lane indicator arrows on each travel lane. TXDOT recently turned off all lighted lane indicators in the Austin district and all districts. Lighted lane indicator arrows are proven to assist drivers with congestion notification, ahead of lane accidents. 3. Then, TXDOT should operate the overhead lane indicator arrows, not just leave them green. 4. Install frequent "Left Lane for Passing Only" and Slower Traffic Keep Right signs throughout the project. 5. Fund and install overhead guide signs which say: "Left Lane for Passing Only" where freeways leave metropolitan areas. This will help educate drivers about the law, and lead to reducing road rage from motorist camping in the left lane of two lane highways.	General	CAPCOG / Other

		<p>6. All freeway projects must have continuous street lighting, including underpass lighting on service rds. and flyovers. TXDOT has been reducing underpass lighting throughout the region, even while traffic counts and fatalities grow. This is consistent with recently adopted Federal AASHTO street lighting standards.</p> <p>6A. The CTCOG should create a \$15 million fund for freeway street lighting repair. Many small communities like Round Rock do not have the funds for expensive lane closures for freeway fixture and bulb changes, and underpass lighting repairs.</p> <p>7. Repair any existing underpass street lighting in the CTCOG area which is not planned to be replaced or demolished with new LED fixtures. Currently, the CTCOG region has thousands of underpass lights out on freeways.</p> <p>7A. CTCOG should create a \$10 million fund for communities to use to provide lane closures and repair the thousands of underpass lights out in the region.</p> <p>7B. CTCOG create a \$25 million fund for freeways street lighting repair where wire theft and shorts have created dark roadways. For example: Miles of lighting is out on SH290, SH183, SH130 due to wire theft and shorts in conduit.</p> <p>8. Stager high mast towers down the freeways so light is spread evenly across the highway from side to side. Rather than TXDOT's standard dominant placement on only one side of the freeway..</p> <p>9. Require a licensed lighting engineer to review all CTCOG projects for compliance with the newly adopted AASHTO street lighting standards, and national roadway lighting standards. Again, TXDOT has not acted in good faith with regard to freeway street lighting and underpass lighting.</p> <p>10. Install Interstate entrance ramp metering signaling. They are shown to reduce congestion.</p> <p>11. Require work zone street lighting on all projects prior to start of construction. Follow the AASHTO standard to provide work zone lighting. The Austin district of TXDOT does not have roadway work zone lighting for motorists on all projects.</p> <p>12. Install lighted street name signs on traffic signal mast arms throughout the CTCOG region, Currently, TXDOT does not install lighted street name signs on cross street signal mast arms.</p> <p>13. Install some decorative lighting on the larger structures. Lighted stars, or state of Texas emblems are always popular, and encourage community ownership of roadway structures.</p>
