Summary of Amendments

Amendments to the FY21-24 TIP and 2045 MTP

MTP Background

The Metropolitan Transportation Plan (MTP) is the 25-year long range planning document for KTMP. The 2045 MTP includes a short and long-range prioritized project listing incorporating projects expected to be funded within the document's 25-year planning horizon. The project listing is fiscally constrained based on the projected funding the MPO expects to receive in the 25 year planning period. The document also lists regionally significant unfunded projects. Projects must be included in the funded section of the MTP in order to receive state or federal funding.

TIP Background

The Transportation Improvement Program (TIP) is a 4-year transportation planning document that includes a detailed listing of projects reasonably expected to begin within a four-year period. The current TIP covers FY21 through FY24. Projects included in the TIP must be consistent with the MTP and are chosen based on regional priority and available funding. An amendment to a TIP is not completed until the change has also been included in the STIP—Statewide Transportation Improvement Program.

Amendments to the 2045 MTP and FY21-24 TIP

Amendments are needed to the MTP and TIP to:

- a) Add newly selected MPO projects to the TIP; and
 - i. S45-03 – Williams Rd Sidewalks;
 - ii. A45-02 – HCTD Bus Replacement; and
 - iii. R45-01 – Bartlett Elementary SRTS.

- b) Revise the project cost for the following projects.
 - i. T40-13a – Georgetown Railroad Trail Phase 1; and
 - ii. H30-03b – Warriors Path Phase 2.
