## **Staff Update**

**Staff Update**

a) Listed below are the upcoming KTMPO meetings:

- December 15, 2021 – Transportation Planning Policy Board Meeting (electronic)
- January 5, 2022 – Technical Advisory Committee Meeting (electronic)
- January 19, 2022 – Transportation Planning Policy Board Meeting (electronic)
- February 2, 2022 – Technical Advisory Committee Meeting
- February 8, 2022 – Bicycle Pedestrian Advisory Committee Meeting
- February 16, 2022 – Transportation Planning Policy Board Meeting
- March 2, 2022 – Technical Advisory Committee Meeting

All meetings are scheduled for 9:30am at the Central Texas Council of Governments offices in Belton, Texas, unless otherwise noted (ie – electronic meeting).

b) Additional CRRSAA Funds and Revised Funding Scenario

- The Coronavirus Response and Relief Appropriations Act (CRRSAA) provided KTMPO an additional \$2,162,115 in Category 7 funds.
- In November, the Policy Board approved a revised funding scenario for the that included adding the Williams Road Sidewalk project into the TIP and additional funds for the Georgetown Railroad Trail and Rancier Ave Sidewalk projects.

c) Federal & State Updates

- Passage of IIJA on November 15, 2021 – summary sheet in packet
- US Bicycling Trends 2021 Update from Streetlight ([Link](#))
- New NHTSA Report - Road fatalities spiked in the first half of 2021 ([Link](#)).
- 2022 Texas Trails and Active Transportation (TTAT) Conference
  - Virtual only conference on April 27-29, 2022
  - Early bird pricing is \$250 + fee ([Registration Link](#))
- Report Evaluating Active Transport Benefits and Costs ([Link](#))

- American Trails – Trail Accessibility Hub ([Link](#))
- TxDOT Bicycle & Pedestrian Advisory Committee ([Presentation Link](#))
  - Finished effort on providing official design guidance for bikeways
  - Started a new Pedestrian & Bicycle Safety Subcommittee
- Texas Recreational Trails Program Grant Opportunity
  - Opened November 1 and closes February 1, 2022.
  - For more information and guidance, check out: [Recreation Grants Online Resources](#)

Notes:

- 22 projects funded; 9 projects in TIP; Cat 7 expended on Roadway first and Livability second.
- Belton and Copperas Cove do not have a project added to the TIP. Belton and Copperas Cove already have existing projects listed in the TIP.
- Temple and Killeen agreed to take approximately 9.3% less for projects K45-01 and T40-13a to help fund S45-01.
- Belton agreed to substitute project B45-02 for projects B45-05, B45-7, and B45-04 (programmed amounts minus the \$113,293 short in approved scenario. Their project moves to the top of the long range funding list due to it being the number 2 livability project.

CRRSAA notes:

- \$2,16,115 additional Cat 7 dollars available
- Project H30-05b funded at original requested amount of \$3,581,020 (\$480,000 total increase/\$384,000 programmed increase)
- K45-01 cost reduction restored (\$242,046 programmed amount increase)
- T40-13a cost reduction restored (\$148,350 programmed amount increase)
- Project S45-03, Williams Rd Sidewalks moved into TIP (\$517,619 programmed amount increase)
- Remaining \$870,100 additional Cat 7 funds + S45-03 Long Range funds of \$517,619 for a total of \$1,387,719 added to B45-02 long range project

## The Bipartisan Infrastructure Law Will Deliver for Texas

President Biden and Vice President Harris’s Bipartisan Infrastructure Law is the largest long-term investment in our infrastructure and competitiveness in nearly a century. **The need for action in Texas is clear, and recently released state-level data demonstrates that the Bipartisan Infrastructure Law will deliver for Texas.** For decades, infrastructure in Texas has suffered from a systemic lack of investment. In fact, the American Society of Civil Engineers gave Texas a C on its infrastructure report card. The historic Bipartisan Infrastructure Law will make life better for millions of Texas residents, create a generation of good-paying union jobs and economic growth, and position the United States to win the 21st century.

Specifically, with regard to transportation, the Bipartisan Infrastructure Law will:

**Repair and rebuild our roads and bridges with a focus on climate change mitigation, resilience, equity, and safety for all users, including cyclists and pedestrians.** In Texas there are 818 bridges and over 19,441 miles of highway in poor condition. Since 2011, commute times have increased by 11.4% in Texas, and on average, each driver pays \$709 per year in costs due to driving on roads in need of repair. The Bipartisan Infrastructure Law is the single largest dedicated bridge investment since the construction of the interstate highway system. **Based on formula funding alone, Texas would expect to receive approximately \$27.4 billion over five years in Federal highway formula funding for highways and bridges.** On an average annual basis, this is about 26.4% more than the State’s Federal-aid highway formula funding under current law (1). Texas can also compete for the \$12.5 billion Bridge Investment Program for economically significant bridges and \$15 billion of national funding in the law dedicated to megaprojects that will deliver substantial economic benefits to communities. Texas can also expect to receive approximately \$641 million over five years in formula funding to reduce transportation-related emissions, in addition to about \$729 million over five years to increase the resilience of its transportation system (2). States may also apply federal aid dollars towards climate resilience and safety projects.

**Improve the safety of our transportation system. The Bipartisan Infrastructure Law invests \$13 billion over the Fixing America’s Surface Transportation (FAST) Act levels directly into improving roadway safety.** Over five years, Texas will receive approximately \$153 million in 402 formula funding for highway safety traffic programs, which help states to improve driver behavior and reduce deaths and injuries from motor vehicle-related crashes. On an average annual basis, this represents about a 29% increase over FAST Act levels (3). Local and tribal governments in Texas will also be eligible to compete for \$6 billion in funding for a new **Safe Streets for All program** which will provide funding directly to these entities to support their efforts to advance “vision zero” plans and other improvements to reduce

crashes and fatalities, especially for cyclists and pedestrians. In addition, Texas can expect to receive approximately \$247.1 million over five years in funding to augment their commercial motor vehicle (CMV) safety efforts to reduce CMV crashes through the Federal Motor Carrier Safety Administration's Motor Carrier Safety Assistance Program (MCSAP) formula grant. This represents about a 63% increase in funding compared to FAST Act levels (4). Texas will be able to apply for funds to modernize data collection systems to collect near real time data on all reported crashes, including fatal ones, to enhance safety and to allow the Department to understand and address trends as they are identified. Texas also includes communities that will be eligible to apply for grants to community owned utilities to support the repair or replacement of leaky and unsafe cast iron and bare steel natural gas distribution pipelines, some of which are over 100 years old.

**Improve healthy, sustainable transportation options for millions of Americans.** Texans who take public transportation spend an extra 80.8% of their time commuting and non-White households are 2.7 times more likely to commute via public transportation. 12% of transit vehicles in the state are past useful life. **Based on formula funding alone, Texas would expect to receive about \$3.4 billion over five years under the Bipartisan Infrastructure Law to improve public transportation options across the state (5). In the first year, this represents about a 32% increase over 2021 FAST Act formula transit funding levels.**

**Build a network of EV chargers to facilitate long-distance travel and provide convenient charging options.** The U.S. market share of plug-in electric vehicle (EV) sales is only one-third the size of the Chinese EV market – in 2020, plug-in electric vehicles made up only 2.3% of new car sales in the U.S., compared to 6.2% in China. The President believes that must change. The law invests \$7.5 billion to build out the first-ever national network of EV chargers in the United States and is a critical element in the Biden-Harris Administration's plan to accelerate the adoption of EVs to address the climate crisis and support domestic manufacturing jobs. **Under the Bipartisan Infrastructure Law, Texas would expect to receive about \$408 million over five years to support the expansion of an EV charging network in the state (6). Texas will also have the opportunity to apply for grants out of the \$2.5 billion available for EV charging.**

**Modernize and expand passenger rail and improve freight rail efficiency and safety.** The Bipartisan Infrastructure Law includes \$66 billion above baseline to eliminate the Amtrak maintenance backlog, modernize the Northeast Corridor, and bring world-class rail service to areas outside the northeast and mid-Atlantic. Within these totals, \$22 billion would be provided as grants to Amtrak, \$24 billion as federal-state partnership grants for Northeast Corridor modernization, and \$12 billion for partnership grants for intercity rail service, including high-speed rail. On top of this, Texas will be eligible to compete for \$5 billion for rail improvement and safety grants and \$3 billion for grade crossing safety improvements.

**Improve our nation's airports.** The United States built modern aviation, but our airports lag far behind our competitors. **Under the Bipartisan Infrastructure Law, airports in Texas would receive approximately \$1.2 billion for infrastructure development for airports over five years (7).** This funding will address airside and landside needs at airports, such as improving runways, taxiways and airport-owned towers, terminal development projects, and noise reduction projects. In addition, \$5 billion in discretionary funding is available over five years for airport terminal development projects that address the aging infrastructure of our nation's airports, including projects that expand accessibility for persons with disabilities, improve access for historically disadvantaged populations, improve energy efficiency, and improve airfield safety.

State and local governments can look forward to these new & expanded competitive grant programs in the Bipartisan Infrastructure Law (BIL) anticipated to launch over the course of the next year:

- **Safe Streets for All (\$6B, new)** – This program will provide funding directly to local and tribal governments to support their efforts to advance “vision zero” plans and other improvements to reduce crashes and fatalities, especially for cyclists and pedestrians.
- **Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Grants (\$15B, expanded)** – RAISE grants support surface transportation projects of local and/or regional significance.
- **Infrastructure for Rebuilding America (INFRA) Grants (\$14B, expanded)** – INFRA grants will offer needed aid to freight infrastructure by providing funding to state and local government for projects of regional or national significance. The BIL also raises the cap on multimodal projects to 30% of program funds.
- **Federal Transit Administration (FTA) Low and No Emission Bus Programs (\$5.6B, expanded)** – BIL expands this competitive program which provides funding to state and local governmental authorities for the purchase or lease of zero-emission and low-emission transit buses as well as acquisition, construction, and leasing of required supporting facilities.
- **FTA Buses + Bus Facilities Competitive Program (\$2.0B, expanded)** – This program provides competitive funding to states and direct recipients to replace, rehabilitate, and purchase buses and related equipment and to construct bus-related facilities including technological changes or innovations to modify low or no emission vehicles or facilities.
- **Capital Investment Grants (CIG) Program (\$23B, expanded)** – The BIL guarantees \$8 billion, and authorizes \$15 billion more in future appropriations, to invest in new high-capacity transit projects communities choose to build. The BIL provides funds that may support the 25 projects included in FTA’s Annual Report on Funding Recommendations for FY22 as well as additional projects across the country seeking CIG funding over the next five years. Projects must meet CIG program requirements to receive funding. In Texas, such recommended projects include the Expo Center Bus Rapid Transit and Pleasant Valley Bus Rapid Transit in Austin.
- **Federal Aviation Administration (FAA) Terminal Program (\$5B, new)** – This discretionary grant program will provide funding for airport terminal development and other landside projects.
- **MEGA Projects (\$15B, new)** – This new National Infrastructure Project Assistance grant program will support multi-modal, multi-jurisdictional projects of national or regional significance.
- **Promoting Resilient Operations for Transformative, Efficient, and Cost-saving Transportation (PROTECT) Program (\$8.7B, new)** – PROTECT will provide \$7.3 billion in formula funding to states and \$1.4 billion in competitive grants to eligible entities to increase the resilience of our transportation system. This includes funding for evacuation routes, coastal resilience, making existing infrastructure more resilient, or efforts to move infrastructure to nearby locations not continuously impacted by extreme weather and natural disasters.
- **Port Infrastructure Development Program (\$2.25B, expanded)** – BIL will increase investment in America’s coastal ports and inland waterways, helping to improve the supply chain and enhancing the resilience of our shipping industry. BIL overall doubles the level of investment in port infrastructure and waterways, helping strengthen our supply chain and reduce pollution.
- **5307 Ferry Program (\$150M, existing)** – BIL retains the \$30 million per year passenger ferry program for ferries that serve urbanized areas.

- **Electric or Low Emitting Ferry Program (\$500M, new)** – This competitive grant program will support the transition of passenger ferries to low or zero emission technologies.
- **Rural Ferry Program (\$2B, new)** – This competitive grant program will ensure that basic essential ferry service continues to be provided to rural areas by providing funds to States to support this service.
- **Federal Highway Administration (FHWA) competitive grants for nationally significant bridges and other bridges (\$12.5B, new)** – This new competitive grant program will assist state, local, federal, and tribal entities in rehabilitating or replacing bridges, including culverts. Large projects and bundling of smaller bridge projects will be eligible for funding.
- **FTA All Station Accessibility Program (\$1.75B, new)** – This competitive grant program will provide funding to legacy transit and commuter rail authorities to upgrade existing stations to meet or exceed accessibility standards under the Americans with Disabilities Act.
- **Charging and fueling infrastructure discretionary grants (Up to \$2.5B, new)** – This discretionary grant program will provide up to \$2.5 billion in funding to provide convenient charging where people live, work, and shop.
- **Reconnecting Communities Pilot Program (\$1B, new)** – This new competitive program will provide dedicated funding to state, local, MPO, and tribal governments for planning, design, demolition, and reconstruction of street grids, parks, or other infrastructure.
- **FHWA Nationally Significant Federal Lands and Tribal Projects (\$1.5B, expanded)** – This discretionary program provides funding for the construction, reconstruction, and rehabilitation of nationally-significant projects within, adjacent to, or accessing Federal and tribal lands. BIL amends this program to allow smaller projects to qualify for funding and allows 100% federal share for tribal projects.
- **Strengthening Mobility and Revolutionizing Transportation (SMART) Grant Program (\$1B, new)** – The SMART Grant program will be a programmed competition that will deliver competitive grants to states, local governments, and tribes for projects that improve transportation safety and efficiency.
- **Rural Surface Transportation Grant Program (\$2B, new)** – This new competitive grant program will improve and expand surface transportation infrastructure in rural areas, increasing connectivity, improving safety and reliability of the movement of people and freight, and generate regional economic growth.

**2. Public Comment:** No comments were made from the public.

**3. Staff Update:** KTMPO Meetings; Federal & State Updates; Air Quality

James McGill notified the group of upcoming KTMPO meetings through October and shared some notable bicycle and pedestrian related updates from the federal and state levels. Air quality for the month of July was 59 parts per billion (ppb) at the Temple station and 66 ppb at the Killeen station.

**4. Action Item:** Regarding approval of minutes from the April 27, 2021 meeting.

**Heather Buller made a motion to approve the April 27, 2021 meeting minutes, seconded by Gene Roberts; the motion passed unanimously.**

**5. Discussion and Item:** Regarding BPAC Bylaws Update.

James McGill informed the group that staff had recently reviewed the BPAC Bylaws and found that they did not match the parent KTMPO Bylaws. Mr. McGill stated that staff had proposed some revisions to the bylaws to reorganize the document and change language were necessary to match the KTMPO Bylaws. Mr. McGill stated that all of the changes would be brought back for approval at the next BPAC meeting

except for the revisions regarding officer terms and term limits since the BPAC would be holding elections later in the meeting.

**Gene Roberts made a motion to approve the revisions to the Bylaws regarding officer term lengths and term limits, seconded by Heather Buller; the motion passed unanimously.**

**6. Discussion and Action Item:** Regarding FY2022 BPAC Chair and Vice Chair election.

James McGill provided an update to the group that the FY21 elections had been missed and that it was time for the committee to elect a new Chair and Vice Chair. Mr. McGill commended Kara Escajeda for her service as chair of the BPAC for the past several years. The group discussed who would be willing to lead the group and decided to nominate Jason Deckman of Temple for the Chair position and Matt Bates from Belton for the Vice Chair.

**Heather Buller made a motion to nominate Jason Deckman for BPAC Chair and Matt Bates for BPAC Vice Chair, seconded by Gene Roberts; the motion passed unanimously.**

**7. Discussion Item:** Regarding 2045 MTP Reprioritization Update.

James McGill informed the committee that the 2045 MTP Reprioritization has been completed and that a summary of the TAC and Policy Board decision making process was included in the packet for review. Mr. McGill stated that the Policy Board approved 8 new projects to be added to the TIP and that 3 Bike/Ped projects were added from the Livability Track. Jason Deckman shared some additional information about the process of selecting and funding KTMPO projects.

**8. Discussion Item:** Regarding Local Update on Bicycle and Pedestrian Activities:

James McGill shared upcoming local bicycle and pedestrian events with the group. Jason Deckman shared two additional Temple events, the 9/11 Stair Climb and Rucks on Main, that were not included in James' list.

**9. Discussion Item:** Regarding the Trail of the Month Highlight Series.

James McGill updated the committee on the Trail of the Month Highlight Series and asked the Committee if they were still interested in pursuing this effort. Several members stated that they would like to continue with the Trail of the Month Highlight effort and shared ideas for how the information might be distributed potentially via the KTMPO website. Kara Escajeda suggested hiring a videographer to promote the trails if there was available budget. Jason Deckman recommended that members be more proactive in passing materials on to KTMPO staff for posting on the website.

**10. Discussion Item:** Regarding a Regional Shared Micromobility Program.

James McGill stated that at the June Policy Board meeting a couple Policy Board members shared concerns with micromobility companies moving into the KTMPO region and requested that KTMPO staff/BPAC develop a regional policy guiding the introduction of these companies. Kara Escajeda stated that this had been discussed in the past and KTMPO already had a regional policy. Several BPAC members shared their thoughts on scooter entering companies in the region.

**11. Discussion Item:** Regarding central location for promoting regional events.

James McGill stated that at the last BPAC meeting Kara Escajeda had mentioned having a central location for promoting regional events now that the CenTex App had been discontinued. Mr. McGill shared some platforms he had found already and BPAC members discussed ideas for how to do this including utilizing the KTMPO website and dedicating a new page to this.

**12. Member Comments.**

No member comments.

**13. Next Meeting: October 26, 2021 at 9:30 a.m.**

**14. Adjourned:** The meeting adjourned at 10:43 a.m.

These meeting minutes were approved by the BPAC members at their meeting on \_\_\_\_\_.

## **BPAC Bylaws Update**

---

**BPAC Bylaws Update**

During a recent review of the BPAC Bylaws staff discovered that they have a different organization structure than the parent KTMP Bylaws. Staff is suggesting several revisions to the BPAC Bylaws to reflect consistency with the KTMP Bylaws where possible.

At the last BPAC meeting, staff presented the proposed revisions to the Committee for review. The Committee made one revision at the meeting to change the term limits for BPAC officers from 2 years to 1 year.

The rest of the proposed revisions are included in your packet along with a clean copy of the proposed BPAC Bylaws and the KTMP Bylaws. Changes highlighted in green are staff proposed, those in yellow are to match the language and formatting of the parent bylaws.

**Action Needed:** Approve proposed BPAC Bylaw Revisions.

## **Bicycle and Pedestrian Advisory Committee**

# **By-Laws**

### **ARTICLE I**

#### **Name**

The name of this committee shall be the Bicycle and Pedestrian Advisory Committee, also referred to as BPAC.

#### **Purpose**

The Bicycle and Pedestrian Advisory Committee, hereafter referred to as BPAC, is established by the Killeen-Temple Metropolitan Planning Organization (KTMPPO) Transportation Planning Policy Board (TPPB) with the purpose of improving the bicycle and walking mobility within the Killeen-Temple region.

BPAC shall advise the KTMPPO in the consideration of bicycle and pedestrian travel facilities, bicycle and pedestrian policies, and promote non-motorized modes of travel.

#### **BPAC Responsibilities**

BPAC's functions include, but are not limited to, the following:

- Identify and evaluate existing bike/pedestrian facilities;
- Identify needed bike/pedestrian facilities and policies;
- Assist in developing criteria for prioritizing proposed facilities and/or improvements;
- Promote non-motorized travel modes;
- Identify and recommend potential programs, policies, and strategies for non-motorized travel;
- Assist KTMPPO in developing performance measures for evaluating progress in achieving their goals;
- Provide feedback on street design standards;
- Promote Incorporation of bike/pedestrian facilities into other modes of transportation.

- Promote a regional system of bicycle and pedestrian facilities.

## **Membership**

The voting membership of the BPAC shall be limited to 20 members representing bicycle and pedestrian interests and be representative of the area within the KTMPO boundary, which includes all of Bell County and portions of Coryell and Lampasas Counties (see attached map). Equal representation of both bicycle and pedestrian interest is desired. Voting members may be individual stakeholders or may represent stakeholder organizations to include, but not limited to, the following:

- Cities within the KTMPO Region: Belton, Copperas Cove, Harker Heights, Killeen, Temple, Bartlett, Holland, Kempner, Little River-Academy, Morgan's Point Resort, Nolanville, Rogers, Salado, and Troy;
- Counties within the KTMPO Region: Bell County, Coryell County, and Lampasas County;
- Fort Hood;
- Hill Country Transit District (HCTD);
- TxDOT Waco and Brownwood Districts;
- Citizen Representatives for Bicycling Interest;
- Citizen Representatives for Pedestrian Interest.

Membership shall be limited to one (1) voting member from a specific group or organization. Voting members may, in writing, appoint an alternate to vote in their stead and be counted for quorum purposes.

## **Nomination Process**

The nomination process for BPAC membership will be as follow:

- The initial voting members shall be appointed in writing by entities represented on the KTMPO TPPB.
- Other stakeholder organizations desiring a voting position on BPAC may submit a written request to the chairperson or KTMPO staff member identifying the individual proposed to represent their organization's bike or pedestrian interests on BPAC.
- Individual stakeholders desiring a voting position on BPAC may submit a written request to the chairperson or KTMPO staff member identifying their transportation interest on BPAC.
- The voting BPAC members will consider each nomination; approval of nomination requires a majority vote with a quorum present.

## **Terms**

Voting members shall serve until they resign or someone is appointed in their place.

### **Ex-Officio Members**

Ex-officio members shall act as a guide to BPAC. Ex-officio membership may be requested in writing and approved by the Advisory Committee. Ex-officio members do not hold any voting rights.

### **Non-Discriminatory**

There shall be no discrimination in any respect in selection of members or any activity of BPAC due to race, color, sex, religion, handicap/disability, age, or national origin.

### **Meetings**

#### **A. Frequency**

The BPAC shall meet quarterly or more frequently as needed.

#### **B. Meetings Notices**

KTMPO staff will be responsible for all meeting notices and publicity. Specifics of the meeting will be provided to each BPAC member in writing and to the general public in accordance with the provisions of the Texas Open Meetings Act. The BPAC members will be notified of all meetings at least three (3) days prior to the meeting, other than emergency meetings which will be called in accordance with the Open Meetings Act.

#### **C. Meeting Facilities**

It will be the responsibility of KTMPO staff to make arrangements for the meeting place.

#### **D. Date and Time of Meetings**

It will be the responsibility of KTMPO staff to poll the BPAC membership to select a date and time for the meeting that will be convenient for the majority of members.

#### **E. Minutes**

KTMPO staff shall record and maintain attendance records and minutes of BPAC meetings.

#### **F. Video/Teleconferencing**

Any committee member may telephone or videoconference into meetings and are considered "present" and are counted toward the making of a quorum. They may also discuss and vote on any item so brought before the committee.

## **G. Attendance**

Failure to attend **three (3)** consecutive meetings of the committee physically or via videoconference, without notice or the attendance of a proxy, shall constitute a resignation from the BPAC.

## **Quorum**

Thirty three (33%) of the membership, will constitute a quorum.

# **ARTICLE II**

## **Officers**

### **A. Chairperson**

The Chairperson shall be chosen by a majority vote of the members present at the election with a quorum established. The Chairperson shall perform the duties usually assigned to the office, such as; preside at all BPAC meetings; conduct business according to the Bylaws and Robert's Rules of Order, Revised Version; appoint Committee members; and perform other appropriate duties.

### **B. Vice Chairperson**

The Vice Chairperson shall be chosen by a majority vote of the members present at the election with a quorum established. In the absence of, or in the case of the inability of the Chairperson to act, it shall be the duty of the Vice Chairperson to perform all the duties of the Chairperson.

In the absence of both the Chairperson and Vice Chairperson, the BPAC members shall designate a member to preside in their absence during the meeting.

## **Secretarial Functions**

The secretarial function shall be performed by a KTMPO staff member. The staff member shall keep the minutes of all BPAC meetings and shall perform such other duties as may be needed by the BPAC.

## **Term of Office**

Both the Chairperson and the Vice Chairperson shall serve one (1) year terms, and may not succeed themselves in those offices more than once. The term of office shall run from October 1<sup>st</sup> of the year of election through September 30<sup>th</sup> of the following year.

## **ARTICLE III**

### **Amendments**

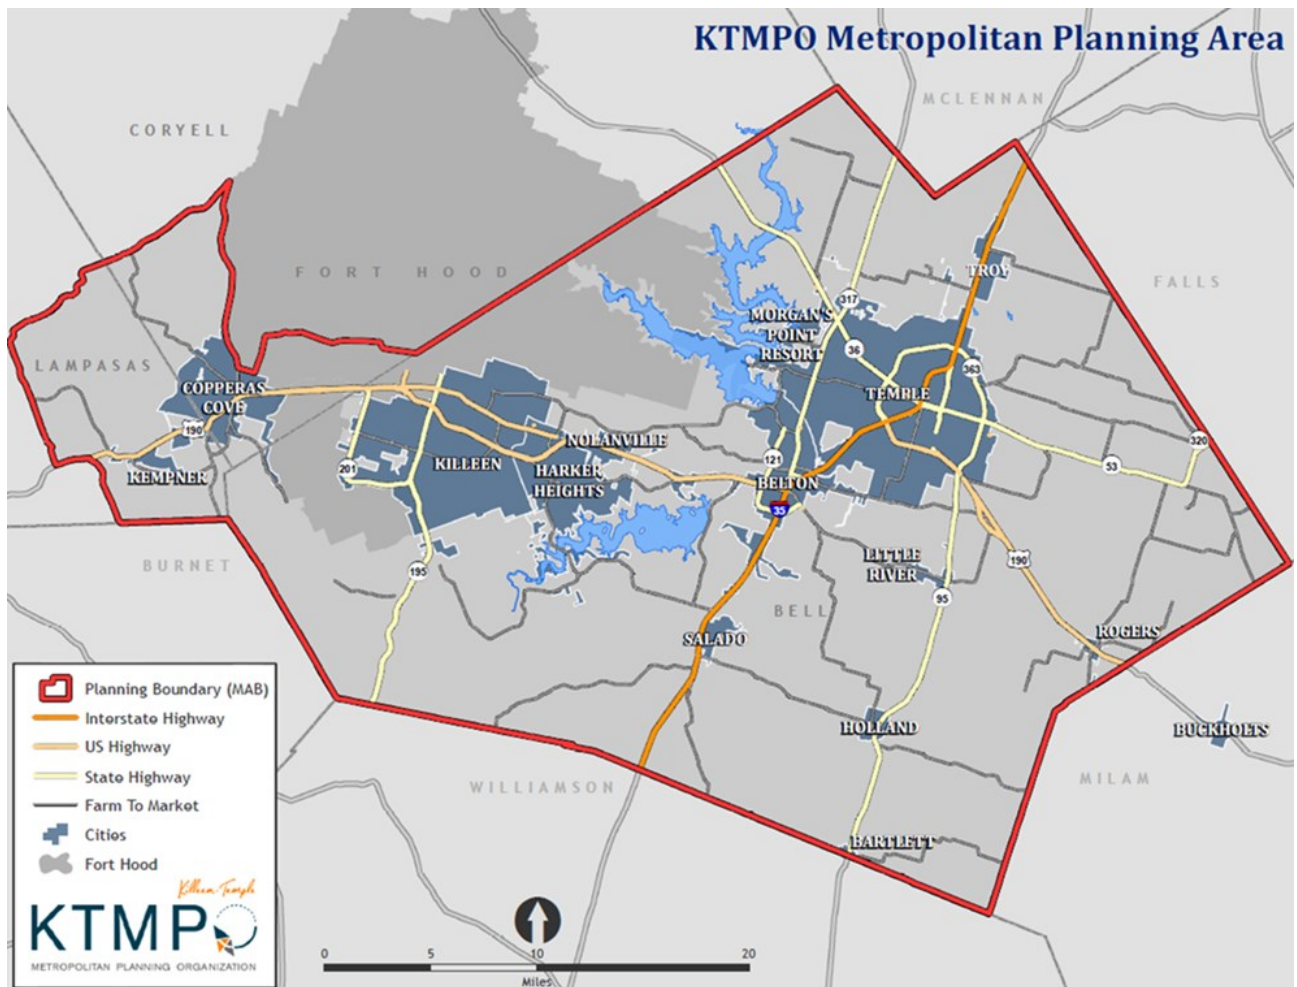

These bylaws may be amended by a majority vote of the BPAC membership present at a BPAC meeting, provided that official notice of the proposed amendment is included in the agenda packets in advance of the scheduled meeting and a quorum is established.

(TPPB)**

*Designated Metropolitan Planning  
Organization for Central Texas*

**LATEST REVISION: March 18, 2020**

**Transportation Planning Policy Board  
Killeen-Temple Metropolitan Planning Organization**

**Articles of Organization**

WHEREAS, the Federal Aid Highway Act of 1962 required a continuing, comprehensive transportation planning process carried on cooperatively by the State and local communities of each urban area of more than 50,000 population in order to qualify transportation projects for federal aid; and

WHEREAS, in the Killeen-Temple area the transportation study process was established by agreement among the local governments and the State of Texas for the purpose of developing suitable transportation plans, with the prospectus for the Killeen-Temple Urban Transportation Study (FY 1982-1986) establishing the organization and composition of the Transportation Planning Committee; now called the Transportation Planning Policy Board (TPPB); and

WHEREAS, the Metropolitan Planning Organization shall work for the designated area; and

WHEREAS, the main functions of the Transportation Planning Policy Board shall be to provide policy guidance to the transportation planning process; approve the Metropolitan Transportation Plan (MTP), Transportation Improvement Plan (TIP) and the Unified Planning Work Program (UPWP); and promote the implementation of the TIP and UPWP.

Now, THEREFORE, the members of this committee do hereby agree to the purposes stated in these articles of organization and do associate themselves for those purposes.

**Name**

The name of this committee shall be the Transportation Planning Policy Board for the Killeen-Temple Metropolitan Planning Organization (KTMPO).

## ARTICLE I

### Purpose

The Transportation Planning Policy Board provides regional transportation policy guidance for those participating government entities and agencies which comprise the Killeen-Temple metropolitan planning area. See Appendix A.

### Code of Ethics

The KTMPO shall adopt an Ethics Policy applicable to both KTMPO committees and employees representing the KTMPO. As stated in Texas Transportation Code, Title 7, Section 472.034, each new employee or official representing the KTMPO shall receive a copy of the Ethics Policy no later than the third business day after the date the person begins employment or the person qualifies for office. KTMPO staff shall keep a record of the Ethics Policy distribution method.

### Membership

#### **Transportation Planning Policy Board**

The voting membership of the Transportation Planning Policy Board will consist of one representative for each city with a population between 10,000 and 40,000, two representatives for cities with populations between 40,000 and 75,000 and three representatives for cities with populations over 75,000 based on population counts from the most recent census; two representatives for Bell County, one to represent the KTMPO metropolitan planning area boundary prior to the June 17, 2009 expansion and one to represent the KTMPO metropolitan planning area boundary post June 17, 2009 expansion; one representative each for the counties of Coryell and Lampasas; one representative each for TxDOT Waco District and TxDOT Brownwood District, and one representative for Hill Country Transit District. All cities within the KTMPO metropolitan planning area with a population under 10,000 shall be represented by their county or County Commissioners Court appointee. See Appendix A.

Based upon 2010 Census results, the composition of the Transportation Planning Policy Board (TPPB) voting membership will be as follows:

a) Killeen	3 members
b) Temple	2 members
c) Copperas Cove	1 member
d) Belton	1 member
e) Harker Heights	1 member
f) Bell County	2 members
g) Coryell County	1 member
h) Lampasas County	1 member
i) Texas Dept. of Transportation (Waco District)	1 member
j) Texas Dept. of Transportation (Brownwood District)	1 member
k) Hill Country Transit District	1 member

Title 23, U.S.C. Section 134(d) (2) outlined the membership goal stating that Transportation Planning Policy Boards shall consist of elected officials. Therefore, member entities shall appoint elected officials to the Transportation Planning Policy Board. In the event an elected official is unseated from their elected status, their term on the Transportation Planning Policy Board will end at the next Annual Meeting. All Transportation Planning Policy Board members are appointed and may be removed by their Governing Body at any time. Additionally, if a Transportation Planning Policy Board member will be unable to attend a meeting, that member may, in writing, appoint a voting proxy to vote in his stead and be counted for quorum purposes.

Each of the following agencies or offices shall be represented by one (1) non-voting member and they shall be referred to as ex-officio members.

- a) Fort Hood Military Base
- b) State Senators, State Representatives, and US Representatives serving the KTMPO area.
- c) Federal Highway Administration
- d) Federal Transit Administration
- e) Texas Air Control Board
- f) Federal Aviation Administration
- g) Airport Managers-Killeen and Temple
- h) Central Texas Council of Governments
- i) Others, as may be appropriate

The smaller cities within the study area (presently Nolanville, Troy, Little River/Academy, Kempner, Village of Salado, Bartlett, Holland, Rogers, and Morgan's Point Resort) shall be represented by their County Transportation Planning Policy Board member. However, they will be encouraged to attend all meetings and to participate in deliberations.

Individuals serving on this Policy Board shall be designated in writing by the following:

- |                    |  |
|--------------------|--|
| ➤ County Members   | County Commissioners Court   |
| ➤ TxDOT Districts  | Waco and Brownwood District Engineers                              |
| ➤ City Members     | Mayor, City Council or Manager as designated by the Governing Body |
| ➤ Transit Member   | Hill Country Transit District Board of Directors                   |
| ➤ Fort Hood Member | III Corps Commander or his/her designee                            |

### **Technical Advisory Committee**

There shall be a Technical Advisory Committee formed, whose purpose will be to review technical issues and develop preferred technical alternatives for Policy Board action. The membership of this committee is as follows:

The following entities shall have one voting seat on the Technical Advisory Committee: Killeen, Temple, Copperas Cove, Belton, Harker Heights, Bell County, Coryell County, Lampasas County, Hill Country Transit District, TxDOT-Waco District, and TxDOT-Brownwood District.

The following entities shall have one non-voting seat on the Technical Advisory Committee: Nolanville, Troy, Little River/Academy, Morgan's Point Resort, Village of Salado, Kempner, Bartlett, Holland, Rogers, Fort Hood, Federal Highways Administration, Federal Transit Administration, and KTMPO Staff. TxDOT may appoint up to two non-voting members.

Individuals serving on this Technical Advisory Committee shall be designated in writing by the following:

- |                    |  |
|--------------------|--|
| ➤ County Members   | County Commissioner's Court  |
| ➤ TxDOT Districts  | Waco and Brownwood District Engineers                              |
| ➤ City Members     | Mayor, City Council or Manager as designated by the Governing Body |
| ➤ Transit Member   | Hill Country Transit District Board of Directors                   |
| ➤ Fort Hood Member | III Corp Commander or his/her designee                             |

Alternates will be allowed to vote in the place of the member they are representing provided they are designated in writing prior to the start of any Technical Committee Meeting.

Other Sub-committees may be established by the Transportation Planning Policy Board chairman as deemed necessary, including specifying the membership and duration of each. Transportation Planning Policy Board members and Technical Advisory Committee members may be designated for sub-committee membership.

## **Meetings**

### **A. Frequency**

Meetings will be called on a schedule to be determined by a majority vote of the members as necessary, with at least four public meetings per year. The Annual Meeting will normally be held no later than September 30th of each year.

### **B. Method of Calling Meetings**

1. The chairperson may call meetings.
2. Any five (5) members may request that a meeting be called by written request to the Chairperson.

### **C. Meeting Notices**

The MPO Director or his/her designee will be responsible for all meeting notices and publicity. Specifics of the meeting will be provided to each Transportation Planning Policy Board member in writing and to the general public in accordance with the provisions of the Texas Open Meeting Law. The Transportation Planning Policy Board members will be notified of all meetings at least three (3) days prior to the meeting, other than emergency meetings which will be called in accordance with the open meeting act.

#### **D. Meeting Facilities**

It will be the responsibility of the KTMPO Director or his/her designee to make arrangements for the meeting place.

#### **E. Date and Time of Meetings**

It will be the responsibility of the KTMPO Director or his/her designee to poll the membership to select a date and time for the meeting that would be convenient for the majority of the members, if the date is different than the dates established in the currently approved Public Participation Plan.

#### **F. Minutes**

The KTMPO Director or his/her designee shall keep a record of the proceedings of the board. These minutes will be recorded on tape and summarized in writing.

### **Vote of the Membership**

Each member shall have one (1) vote.

A simple majority vote of the quorum will be sufficient to authorize action.

The vote will be open (show of hands or voice).

The KTMPO Director or his/her designee will serve to validate membership credentials.

### **Quorum**

Fifty-one percent (51%) of the membership, with a minimum of representatives from four (4) voting membership entities or agencies, will constitute a quorum.

### **Special Circumstances**

A. In times of a declared disaster or emergency impacting the KTMPO region, the KTMPO Director and CTCOG Director will take action on KTMPO matters which will be ratified by the KTMPO Policy Board following the lifting of the disaster or emergency declaration.

B. In times of a declared disaster or emergency impacting the KTMPO, special called meetings may be held and action taken via conference call with a quorum of fifty-one (51%) of the membership, with a minimum of four (4) membership entities or agencies.

## **ARTICLE II**

### **Officers**

#### **A. Chairperson**

The Chairperson shall be chosen by a simple majority vote of the membership present at the election with a quorum established. The Chairperson shall perform the duties usually assigned to the office, such as; preside at all meetings of this committee; be an ex-officio member of any subcommittee formed within this body; and vote as a regular member of the board.

#### **B. Vice Chairperson**

The Vice Chairperson shall be chosen by a simple majority vote of the membership present at the election with a quorum established. In the absence of, or in case of the inability of the Chairperson to act, it shall be the duty of the Vice Chairperson to perform all the duties of the Chairperson.

### **Term of Office**

Both the Chairperson and the Vice Chairperson shall serve one (1) year terms and may not succeed themselves in those offices more than once. The term of office shall run from October 1st of the year of election through September 30th of the following year.

### **Time of Election**

The officer election will be held at the Annual Meeting every year.

### **Special Elections**

In the event that the Chairperson is unable to serve, the Vice Chairperson shall assume the office of Chairperson and call a special election at the next regular, special or Annual Meeting to fill the office of Vice Chairperson for the remaining portion of the term. Should the Vice Chairperson be unable to serve, the Chairperson shall call a special election at the next regular, special or Annual Meeting to fill the office of Vice Chairperson for the remaining portion of the term. If both Chairperson and Vice Chairperson are unable to serve, the MPO Director or his/her designee shall call a special election at the next regular, special or Annual Meeting to fill these vacancies for the remaining portion of the term.

## ARTICLE III

### Amendments

These bylaws may be amended by a two-thirds affirmative vote of the membership present and voting at any regular, special or Annual Meeting of the members, provided that official notice of the proposed amendment is included in the agenda packets in advance of the scheduled meeting and a quorum is established.

### APPROVED

These bylaws were approved by a two-thirds affirmative vote of the voting members of the Transportation Planning Policy Board with a quorum present on 3-18-2020

**Subject:** KTMPO's Bicycle Pedestrian Advisory Committee (BPAC)

Good Morning!

Thank you for the consideration to become a member of the KTMPO's BPAC Planning Committee. I have lived in Temple off and have been an active member of the cycling community since 1999. In January 2020 I became the owner of Sun Country Cycling here in Temple and Killeen. After 2 years of being a small business owner I needed to find a way to do more to help the community and after talking with Keller Matthews about the BPAC this Committee sounds like a good start.

Again thank you for your time and consideration. I look forward to hearing from you and if you have any questions please feel free to reach out.

Respectfully,

## **Trail Highlight Series Update**

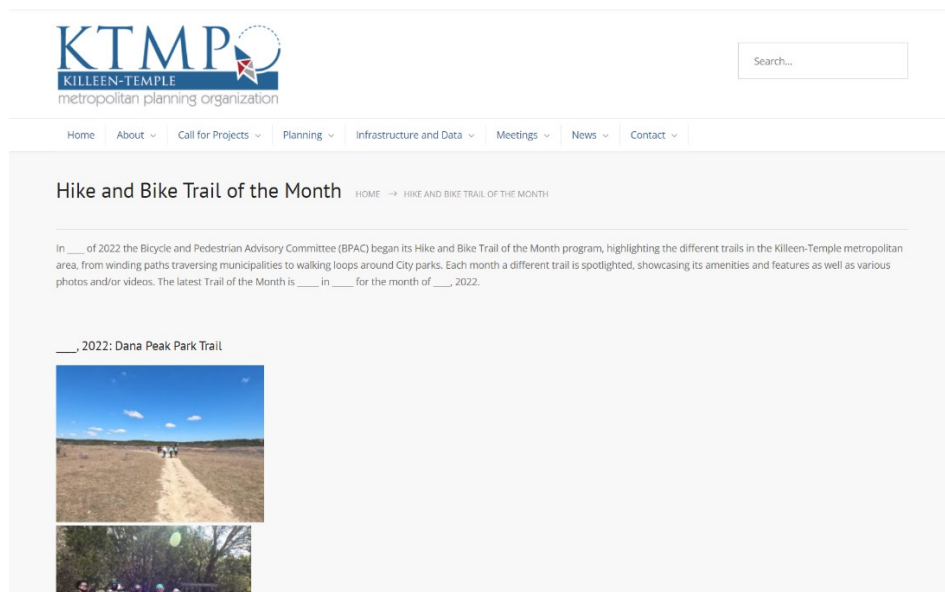

### **Trail Highlight Series Update**

Since 2019 KTMPO has been working with the BPAC on Trail of the Month Highlight series effort as a way to promote regional trails to the public. The now defunct CenTex Trails App provided an avenue for promotion, but ultimately was deemed insufficient for KTMPOs purposes.

Earlier this year, the BPAC suggested that staff use the KTMPO website as a method of promoting these regional facilities. In October staff reached out to the Cities of Belton, Killeen, Harker Heights, Temple, and Copperas Cove for photos and videos of major trails. Staff received media for:

- Dana Peak Park, Harker Heights: Photos, Videos
- Heritage Oak Trail, Killeen: Photos
- Miller Springs Trail, Belton: Photos
- Nolan Creek Hike and Bike Trail, Belton: Photos

Staff has created a draft Hike and Bike Trail Highlight page on the KTMPO website under the Bike & Pedestrian section. We will be discussing the look and feel of the page as well as a plan for staff to proceed with promotion. A screenshot of the page is included below and staff will provide a live look during the meeting.

Feel free to put answers in the chat!

- What spaces do you find bicycle friendly?  
What spaces do you find dangerous for bicyclists?
- Are there any sites you think we should consider for the placement of electric micromobility stations?
- What other organizations/community groups/businesses should we be engaging in this process?

**TxDOT 2021 TA Call for  
Projects Update**

---

**TxDOT 2021 TA Call for Projects Update**

On January 15, 2021 TxDOT opened a Transportation Alternatives (TA) Call for Projects. Two entities from the KTMPO region, Bartlett and Temple submitted projects for consideration. In October, the Texas Transportation Commission approved funding for the Bartlett project, Bartlett Elementary Safe Routes to School (SRTS). The Temple project was not selected for funding.

**Action Needed:** No action needed; for discussion only.

## TEXAS TRANSPORTATION COMMISSION

VARIOUS Counties

### MINUTE ORDER

Page 1 of 2

VARIOUS Districts

The Texas Transportation Commission (commission) desires to award federal funds and transportation development credits (TDC) to support a variety of bicycle and pedestrian infrastructure projects in small urban and nonurban areas of the state. A total of \$55,326,713 in federal funds and up to 6,685,201 TDC are awarded in this minute order.

The Transportation Alternatives Set-Aside (TA) Program is authorized under Section 1190 of Fixing America's Surface Transportation (FAST) Act and codified at 23 U.S.C. §133(h). The commission adopted administrative rules that establish the guidelines under which the TA Program is administered by the Texas Department of Transportation (department), located at Title 43, Texas Administrative Code (TAC), §§11.400 - 11.418. TA funds available for this action are associated with fiscal year 2021 - 2022 federal appropriations, anticipated future distributions of TA funds, and project underruns. An award of \$54,708,907 of federal TA funds is shown in Exhibits A and B.

The Safe Routes to Schools (SRTS) Program was authorized under the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) and is contained in 23 U.S.C. §402. The commission adopted administrative rules that establish the guidelines under which the SRTS Program is administered by the department located at Title 43, Texas Administrative Code (TAC), §§25.500 - 25.505. Residual SRTS infrastructure funds are associated with past federal appropriations under SAFETEA-LU. An award of \$617,806 in federal SRTS funds is shown in Exhibit A.

This award distributes funds available for projects in nonurban areas, with a population of 5,000 or less, and in small urban areas, with a population of 5,001 to 200,000, located outside Transportation Management Areas. Exhibit A is a list of nonurban projects recommended for funding. Exhibit B is a list of small urban projects recommended for funding.

The commission recognizes that federal legislation requires the state to have a competitive process to allow eligible entities to submit projects for funding. Pursuant to program rules, a Notice of Call for Projects for TA funds was published in the *Texas Register* on January 15, 2021. TA project applications were received by the department on or before June 14, 2021. Projects were evaluated for eligibility, technical standards, and specific selection criteria as set forth in the 2021 TA Program Guide. In accordance with 43 TAC §11.411, the commission will select TA projects for funding based on recommendations from the director of the division responsible for administering the TA Program, the potential benefit of the projects to the state, and their value as enhancements to the surface transportation system.

In making this award, the commission has considered the potential to expand the availability of funding for bicycle and pedestrian infrastructure projects and finds that the award of TDC for eligible program expenditures meets the established program goals set forth in 43 TAC §5.102 to maximize the use of available federal funds, particularly in situations in which federal funds otherwise would be unused because of the inability of local governments to provide the non-federal share.

IT IS THEREFORE ORDERED by the commission that the projects listed in Exhibit A and Exhibit B are hereby selected and designated for funding under the TA and SRTS Programs, pending availability of funds, and that the executive director or the director's designee is authorized to proceed with the award and execution of local agreements, as required by the program rules.

TEXAS TRANSPORTATION COMMISSION

MINUTE ORDER

Page 2 of 2

VARIOUS Districts

IT IS FURTHER ORDERED that for the TA funds applied to the projects listed in Exhibit A and Exhibit B and subsequently verified as eligible for development, the total amount in federal funds must be locally matched by a minimum of 20 percent, unless the project is determined eligible for TDCs. For projects eligible for TDCs, the amount of TA funds awarded represents 100 percent federal funds and no local match is required. Any required local match must be 100 percent in cash.

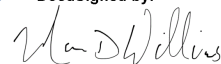

IT IS FURTHER ORDERED that for residual SRTS funds applied to the project identified in Exhibit A and subsequently verified as eligible for development, the amount of SRTS funds awarded represents 100 percent federal funds and no local match is required.

IT IS FURTHER ORDERED that should additional funding become available, the commission may select additional eligible projects for funding from among those project nominations submitted in the 2021 TA Call for Projects.

Plan Inventory Tool**

### **TxDOT Active Transportation Plan Inventory Tool**

TxDOT has recently developed an Active Transportation Plan Inventory Tool. The tool is a map-based inventory of plans published by local entities. It serves as a central repository of existing active transportation documents to assist planners and transportation professionals and for viewing by the public.

Local planners are encouraged to submit their own plans to build out the inventory and provide a better resource.

## **Grant Opportunities**

The Texas Department of Agriculture administers the Community Development Fund, which is the largest fund category in the TxCDBG Program. Funds may be used for public infrastructure, street and drainage improvements, and various other opportunities. More information regarding this grant may be found here:

[https://www.texasagriculture.gov/GrantsServices/RuralEconomicDevelopment/RuralCommunityDevelopmentBlockGrant\(CDBG\).aspx](https://www.texasagriculture.gov/GrantsServices/RuralEconomicDevelopment/RuralCommunityDevelopmentBlockGrant(CDBG).aspx)

The Texas Parks and Wildlife Department administers the National Recreational Trails Fund in Texas under the approval of the Federal Highway Administration (FHWA). This federally funded program receives its funding from a portion of federal gas taxes paid on fuel used in non-highway recreational vehicles. More information regarding this grant may be found here:

<https://tpwd.texas.gov/business/grants/recreation-grants/about-local-parks-grants>

### **Texas Recreational Trails Grant**

Funds for this grant can be spent on the construction of new trails, improvement of existing trails, to develop trailheads or trail facilities, or to acquire trail corridors.

**Deadline: February 1 (annually)**

Award Ceiling: \$300,000 (non-motorized projects) or \$600,000 (motorized projects)

Award Floor: \$4,000 (non-motorized projects)

Match: up to 80% of project cost

### **Local Parks Grant**

This grant assists with the acquisition and/or development of public recreation areas and facilities. All grant assisted sites must be dedicated as parkland, be properly maintained, and open to the public.

**Deadline: December 4 (annually)**

Max Award Amount: \$1.5 million for urban areas, \$750,000 for non-urban areas, and \$150,000 for small community recreation.
