### Milling Bridge Deck — SL 121 — Bell County

---

Mar. 18, 2022

**WACO** – TxDOT — Waco District will continue milling operations on SL 121 bridge decks starting next Monday. These operations will be active from Monday through next Friday daily from 9 a.m. to 3:30 p.m.

These closures are required for crews to safely perform these operations. During the closure, crews will conduct flagging operations and utilize a pilot car to direct traffic through the work area. The closure will span from just before Nolan Creek to Crusader Way and reduce traffic to one lane.

Motorists should expect delays in the area. This work is part of TxDOT's ongoing project to widen SL 121 from W Avenue O to Sparta Road to a four-lane divided highway, add shared-use paths and sidewalks, and add a two-way left turn lane from Sparta Road to FM 439.

TxDOT encourages motorists to pay attention, mind their speed, and eliminate distractions driving through work zones.
