Concrete Barrier — SL 121 — Bell County

Apr. 8, 2021

WACO – TxDOT — Waco District’s contractor will install low-profile concrete barrier within the SL 121 project limits starting next Monday. This work will require daily closures within the project limits from 9 a.m. to 3:30 p.m. Closures will conclude next Friday.

These closures are required for the safety of and the traveling public. Crews will conduct flagging operations and utilize a pilot car to direct traffic through the work area.

Motorists should expect delays in the area. This work is part of TxDOT’s ongoing project to widen SL 121 from W Avenue O to Sparta Road to a four-lane divided highway, add shared-use paths and sidewalks, and add a two-way left turn lane from Sparta Road to FM 439.

TxDOT encourages motorists to mind their speed and eliminate distractions when driving in work zones.
