### Island Removal & Intersection Closure — SL 121 — Bell County

---

Apr. 27, 2021

**WACO** – TxDOT — Waco District’s contractors will perform various construction work on SL 121 as it runs under I-14. This work will include removing the islands on both sides of the I-14 overpass and paving over the removed islands.

The SL 121 intersection as it runs under I-14 will be closed tonight and tomorrow night from 7 p.m. to 6 a.m. both nights. During this closure, crews will remove the islands and have traffic control measures in place. This Friday, crews plan to pave the then removed island from 9 a.m. to 3:30 p.m. The traffic lanes will be reduced to 10’ lanes to give crews room to safely work.

Motorists should expect delays in the area. This work is part of TxDOT’s ongoing project to widen SL 121 from W Avenue O to Sparta Road to a four-lane divided highway, add shared-use paths and sidewalks, and add a two-way left turn lane from Sparta Road to FM 439.

TxDOT encourages motorists to mind their speed and eliminate distractions when driving in work zones.
