VARIOUS WORK — FM 436 | SH 317 — BELL COUNTY

TxDOT's Waco District serves McLennan, Bell, Falls, Limestone, Hill, Coryell, Bosque, and Hamilton counties

Feb. 2, 2024

WACO — TxDOT Bell County Maintenance crews will perform work in Belton at various locations that will cause traffic impacts in their respective areas.

Tuesday, Feb. 6, crews will repair damaged stonework on FM 436 underneath the I-35 bridge. This will require FM 436 westbound to be reduced to one lane in the area from 8:30 a.m. to 4 p.m., weather permitting.

Additionally, on Wednesday, Feb. 7, crews will perform pavement drainage operations on SH 317 from E 10th Avenue to E 13th Avenue. This work will require a traffic shift and various closures, impacting both directions of traffic in the area. This work will also be performed from 8:30 a.m. to 4 p.m., weather permitting.

Motorists should expect delays near the described work zones and consider alternate routes during the duration of work.
