WACO — This Monday, April 1, TxDOT's contractor will perform guardrail maintenance near Belton Lake on FM 2271. The maintenance will require a southbound lane closure on FM 2271 near the north side of the lake. This closure will be in place daily from 8:30 a.m. to 3:30 p.m. until the work is complete.

The closure will require a flagging operation – motorists should watch for traffic control personnel in the area.

TxDOT encourages motorists to slow down, eliminate distractions, and buckle up driving through work zones.

Media inquiries can be directed towards the USACE Belton Lake Office: 254-742-3050
