ROAD WIDENING — FM 2410 — BELL COUNTY

TxDOT's Waco District serves McLennan, Bell, Falls, Limestone, Hill, Coryell, Bosque, and Hamilton counties

May 8, 2024

WACO — TxDOT Waco District and its contractor continue TxDOT's road rehabilitation project on FM 2410 near Harker Heights and Nolanville. The project, which started last Fall, will rehabilitate and widen FM 2410 from FM 3481 (Stillhouse Lake Road) to I-14/Simmons Road east of Nolanville.

Continuing work on the project, starting Monday May 13, crews will perform daily lane closures on FM 2410 from Simmons Road to around Indian Trail. The closures will create a one-lane configuration within the closure limits. Traffic control, flagging operations and a pilot car will be utilized.

Motorists should expect delays – the closures are scheduled to complete late summer, weather permitting.

TxDOT encourages motorists to slow down, eliminate distractions, and buckle up driving through work zones.
