

Concrete Pour | FM 116 | Coryell County

TxDOT Waco District serves McLennan, Bell, Hill, Falls, Limestone, Hamilton, Coryell and Bosque Counties

June 18, 2024

WACO – Thursday night, June 20, crews will perform concrete work along the ongoing FM 116 project north of Copperas Cove. As crews work along the southbound FM 116 frontage road near SH 9, there will be various lane closures occurring. The southbound FM 116 frontage road at SH 9, the northbound FM 116 mainlanes over SH 9, and SH 9 under the bridges will all be closed during the work, scheduled to be active from 9 p.m. Thursday night through 7 a.m. Friday morning.

Northbound FM 116 traffic will be directed onto the northbound frontage road, while southbound FM 116 and SH 9 traffic will be directed through Copperas Cove.

The work closure is part of TxDOT's ongoing project to construct two overpasses on FM 116 and reconstruct the FM 116/SH 9 intersection, which is scheduled to complete this year.
